

Location of Major Solar Sites in Ontario, Canada in Relation to Multi-Year Annual Average Global Horizontal Irradiance (GHI)

Data Source: National Renewable Energy Laboratory, Golden, Colorado
Publish Year: 2018
Coordinate System: WGS84, EPSG: 4326
Raster Value: Solar Irradiance in kWh/m²/year
Map created by: Sahil Parikh

Citation: Sengupta, M., Xie, Y., Lopez, A., Habte, A., Maclaurin, G., & Shelby, J. (2018). The national solar radiation data base (NSRDB). Renewable and Sustainable Energy Reviews, 89, 51-60.
